# A Snapshot of PPE Prague

---

## **BA in Politics, Philosophy and Economics**

First PPE in Central Europe, established 2019

3 years · 180 ECTS · €7,000 annual tuition fees

80-100 students per cohort

Diverse international community · Over 90% students from outside Czechia

English throughout, no Czech required

# Why PPE

---

We are not training narrow specialists.

We are training people who can see problems as a whole and do something about them.

Climate policy, AI governance, democratic backsliding, or economic inequality do not fit inside single disciplines.

Neither should you.

# Student Life

---

Our **PPE Society** provides an inclusive student community.

From day one, you can take part in a variety of debates, socials, workshops and trips hosted by various PPE Society Clubs.

Whether you want to join a club or start one of your own, PPE Society will make it happen!

# Some of Our Clubs

---

**The Karlovian:** Join our student online media magazine and publish work that matters. If you want to develop professional media skills and help connect Prague's local and international communities through student perspectives, then The Karlovian is the place to start!

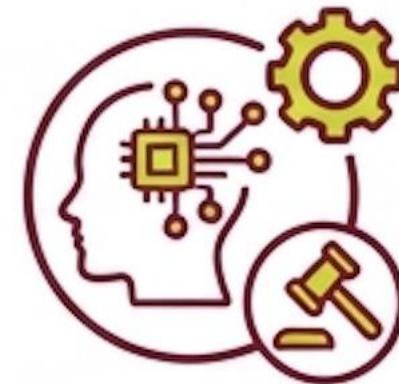

**The Debate Union:** Join the PPE Debate Union for rigorous, Oxford-style debates, practical workshops, and lively discussions of the most contested issues of our time.

# Curriculum Highlights

---

**PPE of Artificial Intelligence:** Who wins and who loses in an AI-saturated world? The PPE toolkit is here applied to the defining challenge of your generation.

**Economics of Global Business:** Why did China's export machine succeed where others stalled? Trade and globalisation through the lens of economic models and real-world case studies.

**Global Politics of Development & Environment:** Can poor countries industrialise without cooking the planet? Addressing 21st-century's central challenge: growth within ecological limits.

# International Exchange

# What Sets PPE Prague Apart

---

- **Diverse international community** – With 50+ nationalities, every seminar becomes a laboratory of views, cultures and backgrounds.
- **Oxford pedagogy, not Oxford prices** – Small seminars, close feedback, professors who know your name. For less than a half of what you would pay in Britain.
- **Study social transformations where they happen** – Professors who lived through post-communist transformation. EU integration from the perspective of a 2004 accession country.

# Why Prague?

---

A city that has witnessed empires rise and fall, ideologies clash, and profound transformations unwind.

- €600–800/month total living costs. A fraction of London or Amsterdam
- Heart of Europe, just a few hours by train to Berlin, Vienna or Munich
- Safe, vibrant, and historically significant
